JOB OFFER

ICT SPECIALIST

Annual salary between \$54 080 and \$91 520

You are an experienced and skilled ICT Specialist willing to join a dynamic, devoted and motivated team in the fields of industrial computing, new technologies, Cybersecurity, design, programming, IT network and client relationship for the renewable energy sector.

✓ About us

The Ohmega Group team is comprised of highly skilled professionals who are passionate about renewable energy and the exciting opportunities it offers. Originated from Quebec and established since 1982, we are specialised in automation and Industrial Computing. The company is in a sustained growth phase across North America.

✓ Candidate profile

You will demonstrate talent in problem solving, analysis and decision making in a complex technical environment. You will provide an optimal support to our customers by investigating, communicating and resolving information technology problems

✓ Your role

- Carry out industrial ICT projects (evaluation, design, development, and optimization);
- Design complete IT and computer systems;
- Carry out field interventions and participate in remote support of our client's operations;
- Investigate, repair, maintain and debug various IT networks;
- Programming of various IT equipment, scripts and reports
- Configure and maintain industrial computers, servers and storage equipment and test different type of databases.

✓ What we are looking for

Must Have:

- Bachelor degree in Information Technology, Computing Science or related field;
- At least 2 years experience in computing;
- Fluency in written and spoken English and French.

Nice to Have:

- Ability in programming;
- Good knowledge of virtualisation methods and software;
- Experience with networking and Cybersecurity equipment from various manufacturers;
- Experience in database configuration and reporting.

✓ What we offer

- A permanent and full-time position;
- A remuneration between \$54 080 and \$91 520, based on your experience;
- A medical, salary, disability, life insurance program;
- Possibility to contribute to a Registered Retirement Savings Plan jointly with the employer.
